Company Profile

June Halten Limited is an indigenous Nigerian company. We specialize in residential and commercial real estate and infrastructure development in Nigeria. The company was born out of the need to address the shortfall in housing delivery in Nigeria. We take pride in our team of seasoned professionals who have enabled us deliver quality homes for our clients and subscribers.

To be the leading real estate company in Nigeria, known for our commitment to excellence, integrity, and innovation in all aspects of our business.

It is our desire to ensure access to decent homes and real estate investments for all Nigerians home and abroad. This burning desire is what drives our passion to undertake real estate projects which have direct impact on those who need homes the most. And we do not stop at that. We also go to the extra mile to explore ways to make it easy for subscribers to afford them.
